

SAFER COMMUNITY REFERENCE GROUP

EXPRESSION OF INTEREST / MEMBERSHIP

Expression of interests are now being sought for the next two years from our community reference group, we are seeking interested individuals and communities agencies to participate in a series of quarterly meetings designed to create a safer Casey.

Terms of Reference for Safer Casey Community Reference Group includes

- New and emerging community safety issues within the community
- Identifying municipal-wide issues and opportunities and advising Council officers about effective policy and service provision regarding community safety issues within the City of Casey
- Issues and opportunities that are relevant across the entire municipality; to guide, engage and promote strategic responses and actions

Criteria for Membership include :

- Representatives from the local services, individuals and organisations involved in public policy, community safety, social planning and crime prevention will be invited to nominate to be members of Group
- A strong understanding of the local community and its social, environmental and economic influences;
- Good knowledge and understanding of the local issues that are relevant to community safety;
- A willingness to contribute positively to meetings in a fair and unbiased manner;
- An ability to look beyond personal interests for the benefit of the community and residents of the City of Casey;
- An ability and willingness to encourage participation from and provide feedback to the community regarding community safety;
- A capacity to commit to the Group for the required duration of 2 years
- An ability to participate in quarterly meetings and provide a short, written update for every meeting

Major Achievement of the reference group

- ✚ Over the past 2 years the reference group has been instrumental in supporting the efforts to revitalize the Greg Clydesdale square in central Cranbourne.
- ✚ Upon council receiving a grant of \$300,000 from the Victorian Government in 2022, the square will be redeveloped to make it a safer and more welcoming space through the inclusion of lighting and minor building works.
- ✚ The reference group designated members to form a subcommittee to guide the community consultation and design process for the works which are expected to be completed by July 2024.
